**DIRECTORATE OF EVALUATION**

**M.Tech. All Semesters Supplementary Examinations, November, 2023**  
**(Visakhapatnam, Hyderabad, Bengaluru)**

**TIME TABLE (For 2022-23 and Earlier Admitted Batches)**

**Timings : 09:00 a.m. to 12:00 noon**

| <b>SEMESTER</b> | <b>COURSE CODE</b> | <b>COURSE TITLE</b>                         | <b>DATE OF EXAM</b> |
|-----------------|--------------------|---|---------------------|
| 1               | 19EBT705           | Engineering Properties of Food Materials    | 12-12-23            |
| 2               | 19ECE748           | Wind Analysis and Design of Tall Structures | 12-12-23            |
| 1               | 19ECS701           | Advanced Data Structures                    | 12-12-23            |
| 2               | 19ECS702           | Soft Computing                              | 12-12-23            |
| 1               | 19ECS759           | Ethical Hacking                             | 12-12-23            |
| 2               | 19ECS765           | Data Visualization                          | 12-12-23            |
| 1               | 19EMC741           | Research Methodology and IPR                | 12-12-23            |
| 2               | 19ECE702           | Advanced Reinforced Concrete Design         | 13-12-23            |
| 1               | 19ECS705           | Algorithms and Analysis                     | 13-12-23            |
| 2               | 19ECS773           | Deep Learning                               | 13-12-23            |
| 2               | 19ECS767           | Big Data Analytics                          | 14-12-23            |
| 2               | 19EOE746           | Operations Research                         | 14-12-23            |
| 1               | 19ECS776           | Cloud Computing                             | 15-12-23            |
| 2               | 19ECS783           | Software Project Management                 | 15-12-23            |
