To the Management of **GITAM (Deemed to be University) the GANDHI INSTITUTE OF TECHNOLOGY AND MANAGEMENT (REGD No. 277 of 1980), VISAKHAPATNAM.**

Opinion

We have audited the financial statements of **GITAM (Deemed to be University) the GANDHI INSTITUTE OF TECHNOLOGY AND MANAGEMENT (REGD No. 277 of 1980), VISAKHAPATNAM** which comprise the Balance Sheet as at 31st March, 2020, and the Income and Expenditure Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion and to the best of our information and according to the explanation given to us, the accompanying financial statements give a true and fair view of the financial position of the entity as at 31st march, 2020 , and of its financial performance for the year then ended in accordance with the accounting principles generally accepted in India.

Basis for Opinion

We conducted our audit in accordance with the standards on Auditing (SA's) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in India, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter

Without qualifying our opinion, we bring to your attention the following:

1. Further to the continuous spreading of COVID -19 across India, the Indian Government announced a strict 21-day lockdown on March 24, 2020, which was further extended till 31st July 2020 across the India to contain the spread of the virus. This has resulted in restriction on physical visit to the Bengaluru Campus of **GITAM (Deemed to be University)** and to rely on alternative audit procedures as per the Standards on Auditing prescribed by the Institute of Chartered Accountants of India (ICAI).
2. As a result of the above, the statutory audit of the Bengaluru Campus, which forms part of GITAM has been carried out based on remote access of the data as provided at the headquarters of GITAM This has been carried out based on the advisory on "Specific Considerations while conducting Distance Audit/ Remote Audit under current Covid-19 situation" issued by the Auditing and Assurance Standards Board of ICAI. We have been represented by the FA & CAO of GITAM that the data provided in respect of Bengaluru Campus, which forms part of the financial statements of **GITAM (Deemed to be University)** for our audit purposes is correct, complete, reliable and are directly generated by the accounting system of the **GITAM (Deemed to be University)** without any further manual modifications.
3. If we have carried out the audit physically at the Bengaluru Campus location, we might have been able to verify further sufficient appropriate audit evidence regarding the documentation supporting the financial transactions.

Responsibilities of Management and Those charged with Governance for the Financial Statements.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the aforesaid generally accepted accounting principles in India, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible assessing the entity's ability to continues as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so. Those charged with governance or responsible for overseeing the entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an audit report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with generally accepted accounting principles in India always detects a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
